

Be Kind: Be Fair: Be Honest

Dear Parents, Carers and Pupils,

This week finishes safely again and we are thankful that no class bubbles have been closed. We continue to pray that we can get to Christmas without any disruptions.

The children have completed their termly assessments this week. This information will allow the teachers to plan adequate and bespoke learning. This in mind we have employed two very experienced teachers who are joining our team this week and will be working in each class. This will allow the teachers to carry out very valuable catch up lessons and small group interventions.

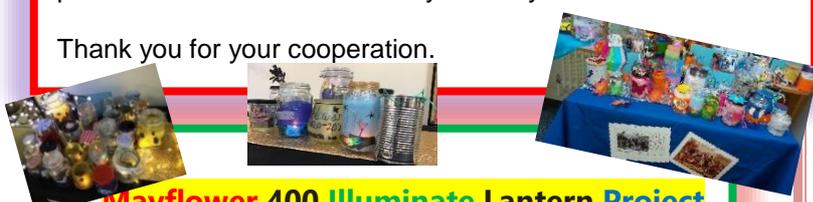

PARENTS EVENING

This time of the year we normally hold our Parent drop in sessions but obviously due to Covid-19 restrictions this cannot happen. Instead the staff are busy preparing a mini report card which will inform you about your child's attainment and general comments about their contributions to life at school. When you receive your report if you wish you will have the opportunity to discuss with the class teacher via a telephone conversation. Staff are also more than happy to communicate with you on a daily basis via the class dojo system. Their responses may not always be immediate depending on the time of day!

Thank you to everyone who is helping to keep us safe but can I please ask that all children are supervised during drop off and pick up times.

I have also had complaints from residents this week about double parking on St Gregory's Place. Could I ask all our parents to think about the safety of everyone around school.

Thank you for your cooperation.

Mayflower 400 Illuminate Lantern Project

It was great to see so many beautiful lanterns this week and they certainly helped to lift the gloom around the world. We have some very talented families and the decision to pick the best lantern from each class was very difficult job for Mrs Beesley.

Well done everyone. Please see the school twitter feed for more pictures. [@stgregorys_news](https://twitter.com/stgregorys_news)
