

SG News

Dear Parents, Carers and Pupils,

Welcome back to the new term and what an exciting one it has been so far. I would like to thank Friends of St Gregory (PTA) for organising and financing the 'Rock Kidz' day this week. I have received positive feedback from staff and the children really enjoyed the day. Unfortunately a few residents did not and complained about the excessive noise!

Diary Dates

The summer term is always the shortest but one of the busiest, so please check this week's Diary Dates and the future dates too. My staff and myself have planned most events up until the end of the year, including: Sports day, Year 6 Leavers Mass, end of year performance by year 6, annual reports to go out, school trips and many more. Things maybe added so please keep checking on a weekly basis!

School trips

At school we are always striving to give the children opportunities to receive a rich and memorable curriculum. So I thank you all for your contributions to supporting these events and trips. Without the financial backing these trips could not go ahead. School always contributes and heavily subsidises these experiences. However with fuel costs for coaches being ridiculous this is sadly something we may have to reduce in the future.

School admissions

This week we received our numbers for the new reception class and once again many schools in the area have not filled their 30 places. Currently we have 9 available places so if anyone knows anyone who is not happy with their child's allocated place please contact the school office and request a tour of the school.

Frozen Friday

Just a reminder that the PTA are starting today - Frozen Fridays. Ice creams & lollies will be on sale from both playgrounds at 3.15pm... £1 each. ENJOY...we just need to pray for some sunshine now!

School dinners

Apologies that the children didn't quite get their accurate school dinner today. Last night we had our second flood of the year, the kitchen boiler had blown, and flooded out the PE storage cupboard and we had no hot water in the kitchen. So the two options were to close school or keep the menu simple. We are hoping the hot water situation will be sorted on Monday if not we plan to do the same. Thank you for your understanding!
